High Wind Watch In Effect For South Central Wisconsin, Including Madison

When the Wind Blows

Identify an interior room in your house or at work that you can take shelter in during high wind warnings.

Head Inside Immediately

If you are driving and aren't near a sturdy building, hold the steering wheel with both hands and slow down.

Keep a distance from high profile vehicles.

Be Careful on the Road

High winds can create dangerous fallen or blowing objects.

Stay Clear of Hazards From Above

Stay Clear of Trees

Beware of Loose Outdoor Items
